

August 2, 2016

Hello Warrior Nation!

It has been a busy summer on campus! God has been so faithful and this is going to be an exciting year! We are blessed to have new staff coming on board including Mr. Cliff Williams as Head of School as well as Mrs. Koscinski and Mr. Spriggs in our Middle and High School Divisions. We have other new additions to our campus in new furnishings and improved programs. The School Board and Administrative team can't wait to get the 2016 – 2017 school year started and we invite you to join us for our Parent/Student Orientation Nights.

We don't want you to miss any of the important information so we've changed the purpose and design of the orientation evenings so that our partnership gets off to a strong start. It will be essential that you make plans to attend the orientation designed specifically for your student/family. **Each session will start in the chapel, unless otherwise noted.** Students are encouraged to attend the orientation session with their parents and will have time to drop off supplies, pick up schedules/parking passes, and meet briefly with teachers after the main session.

Looking forward to a great year,
RCS Administrative Team
